

# Crowd Controllers Revalidation Course/s

These workbook courses will be overseen by Garry Oliver, the principal of BARS Training Australia (National Provider 32061) the Registered Training Organisation responsible for issuing the award to successful participants.

## Schedule of Training

The cost of this workbook course includes a self paced correspondence course with on-line tutorial support, a face to face session once workbooks are completed and all required materials.

### PART A

Assists the participant to gain the underpinning knowledge necessary to successfully complete Part B.

### PART B

The face to face day component where participants will receive instruction relating to legislative requirements, first aid, communication techniques, basic document examination and control, restrain & removal techniques depending on the unit of competency chosen.

### NOTE:

Participants will NOT be able to attend the face-to-face component (Part B) without completing the self paced correspondence component (Part A).

### Schedule of Fees

Crowd Controllers and Body Guards are required to undertake the following units of competency every three years:

HLTFA301B - Apply First Aid

CPPSEC3002A - Manage Conflict through Negotiation

CPPSEC3013A - Control Persons using Empty Hand Techniques

All fees are as listed against the below locations where training is being offered.
